The establishment, tools and plant charges in respect of the ~~original estimate was~~ original estimate of Rs 11,500 were waived in Rys. No L 5040-2/Ml 125-32-6 dated 31-1-1933. The present recommendation to waive the supervision charges as regards the revised estimate may perhaps be sanctioned as the Mly has contributed a large amt.

2 The reasons for revising the estimate to Rs 13,290 have been detailed in the Director's letter. It is stated that the work has been executed & that the revised estimate is as per actual cost incurred. It is not clear as to how the extra cost of Rs 1,790 has been met or should be met, whether from the Municipal funds or State funds. This may perhaps be ascertained from the Director of Health ~~with~~ before
